

BK President's Spring Meeting – May 2, 2020

As you know, the meeting will be held inside the **Motorcyclepedia museum**. Consequently, they have offered **ALL** guests to enjoy the **ENTIRE** museum *all day* and are charging a very minimal fee per person. Our executive board has agreed we will not charge anybody specifically to enter, but we will have a 'bucket' of some kind in the meeting room for all those in attendance to help offset the fees. We are not anticipating spending too much on the food, but are not sure how many will join us, so we are not sure how much we will need to be reimbursed. Obviously, I will ensure everything is well documented before we submit.

Finally, we are suggesting that all emails/messages that circulate for this event encourage **EVERYONE** to *arrive early*, and maybe plan on staying later after the meeting is over, to get the full benefit of the museum! That said, the place will open at 1000 hours, so we can arrive anytime thereafter. Other members and I of chapter 20 will be there before 1000Hrs.

Since our chapter will be 'picking up the tab' for each person, we need to insist that everyone *arrive via the BACK door*. We will have someone there checking people in and verifying they are from the Blue Knights, then provide them with something to designate their permission to enter. If you need any further information, please feel free to inquire.

As for the Fall conference, I am still working with the initial hotel, as well as looking at others, before we confirm the location. I will forward that as soon as we decide!

RWP
Regards,

John Andersen
President, BK NYXX
