### **Chairman: Joseph De Felice, NY I**

Greetings

I hope everyone made it through this last snowstorm and no one received damage to your property and your families came through this storm without any issues.

Remember that the Spring Presidents meeting will be held on Saturday of May 1st. NJ 5 will be hosting this event. All the information for this event will be posted later in this newsletter and every newsletter until the event.

The Tri-State Board is still looking into hosting this year's Fall President's meeting which is held over the Columbus Day Weekend. If any Chapter is interested in helping the Board members, please contact me or the TSC Secretary Terry as soon as possible.

I hope everyone stays safe and healthy for the rest of the winter. Let's hope that we don't get to much more snow.

Keep the shiny side up and the rubber on the road and always remember to....  
Ride With Pride

### **Vice-Chairman: Lon Strayer, PA XI**

Hello Brothers and Sisters

I must thank Brother Castris for sending a reminder to me about this article. I wasn't thinking about it this week. It has been between 3 and 7 degrees here this week. On Sunday I dealt with nearly a foot of snow. With that all said, riding has been out of the question. My chapter is in hibernation until April 7th. I will plan some breakfast or dinner rides between now and then,

on 4 wheels of course. The Great American Outdoor Show will kick off in Harrisburg, PA from February 7th to the 15th. It is the largest outdoor show in the U.S. I will be working there all 9 days. It is a very large show in a very large building. Phone service is spotty at best. Texting seems to work well. If you need me for anything text me and I will text back as soon as possible. Please be careful on the road. Winter's grip is sometimes very

treacherous. As Sgt. Esterhaus used to say: "Let's be careful out there".

## Secretary: Terry Castris, NY VII

Greetings to my Brother and Sister Knights

I hope everyone and their families had a Happy & Healthy New Year. After this past snow storm and cold weather, I anticipate the next ride will be the St. Patrick's Day Parade. Between now and then I will be planning our rides and coordinating with our ride committee.

If your chapter has an event coming up, send it to me so I can get it listed in the newsletter. So, to make sure we do not miss your event, please send it directly to me. Thank you. Also send your items either in a word doc, or a jpg file. This will make it easier for me to save and input the files in the newsletter.

**I also need each chapter to submit a new chapter contact form, even if all the information is the same. We need to update our current records, so we need a 2026 one.** Please send them to me. If your State Reps also request them, email or send to both of us. I am attaching the new 2026 Chapter Contact & Officers Form and the event schedule / Ride Date Request Form at the end of the newsletter. The chapters numbers that are highlighted in **RED** are correct and verified.

We are still collecting the 2026 Tri-State Dues. Please send your chapter dues in the amount of \$45.00 to the following:

Vinny Calderon (Treasurer)  
8733 21st Avenue  
Brooklyn N.Y. 11214

I am also inclosing information for the spring Presidents meeting hosted by NJ V. Hope to see you all there.

The Fall President's Meeting is Saturday, October 10<sup>th</sup>, 2026 at the Holiday Inn Lansdale-Hatfield in Kulpsville, PA 19443. The Tri-State Board along with PA XXII & PA XIII are hosting the event. More information and group rate code to follow.

## International Rep. Myron Joseph, NY IX

Greetings and salutations my fellow knights.

Hopefully everyone managed the past snow storm well. We had 18' in lower Westchester County, NY. Thank goddess for the snow blower.

There hasn't been too much riding in the NY area since my last article. But I did manage to get a 192 mile, round trip Chili ride, down in SC. While on that ride I was able to recruit a new member to our club, who was sampling the Chili, at the HD dealership we ridden to. Always wearing my colors.

There's always something going on at the BOD's. I thank President Harper for having the foresight to have separate meetings to discuss finances, appeals, and other matters. This move has saved us countless hours, spent on International BOD's Zoom meetings. But we still spend 3 - 5 hours on our quarterly meetings.

There was a separate meeting, where we were able to resolve an appeal unanimously.

Our next meeting BOD meeting is scheduled for Wednesday Feb 04, 2026.

As always , RWP.

I have finished compiling the route from New York to Montana. Before I post it, I just want to mention a few things:

- 1) This is not a Blue Knight sanctioned ride, just a group of friends taking a ride together.
- 2) The route milage was based on information gleamed from Google Maps.
- 3) The stars attributed to any of the lodging selections, was obtained on Google Maps.
- 4) The cost per night at any of the lodging selection was obtained on Google, during the month of November 2025, it is unknown what the actual cost will be in July 2026. You are responsible for making your own reservation. I just included the name of the locations in the town, city, village, hamlet we are staying in for the night.
- 5) Your dining selection is up to you; there are several different choices at each location.
- 6) In Montana there were not too many choices, I tried my best to include what I could.
- 7) Each day we have to ride at minimum 450 Miles / 8 Hrs. Not including gas/lunch stops. We have a total of approximately 2200 Miles to cover in 5 days.

I still have to plot the return trip from Montana to New York. It must likely, will be the same locations on the return trip.

Greeting Brother and Sister Knights,

Have no fear riding season is getting closer. If you have not sent in your chapter renewals please get them in ASAP. Also do not forget to also send your tri state dues.

Now is the time to look at some of the chapter social media pages. Rides are already being scheduled. Get them on your calendar now. Try your best to attend another chapters event this year. We all support each other.

As always if anyone needs any assistance please reach out to me.

Be safe and ride with pride.

### **New Jersey State Rep: Neil G. Hoogmoed, NJ XIII**

Greetings to all and wishing you a Happy and Healthy New Year! Here's looking forward to a great riding year!

A Thank you to PA. Tri State Rep., Rick Vobis who attended The First Blue Knights Tri State Event of 2026; Dale's Chilly Chili Run, put together by NJ IX.

Rick reported that "there was 1 bike that rode in (he has more heart than I do). The breakfast foods were plenty and the Brotherhood shined. If you missed it is a shame as the brothers of BK NJ IX did a great job! God Bless and remember always "Ride with Pride!" Thanks Rick!!

The Blue Knights is an organization which constantly demonstrates Brother and Sisterhood as demonstrated by Rick.

All, remember that dues are paid this month. If you have not paid yet, hurry up and get it done!

Still a little cold for riding in North Jersey, but with the little rain we had to wash the road salt away I was able to get the bike out of the garage!! The tires needed some air!

Thank you to the Chapter Presidents who have sent me their new contact information. There are some new Presidents who I am looking forward to meet, some, for the first time at the spring President's meeting in Millville NJ. I am looking forward to this!

## New York State Rep, North East: Steve Nieves, NY VI

Greetings Tri-State Blue Knight Brothers and Sisters,

The holidays are over so what better thing to do than to start planning some riding trips for the year. Hopefully many of you will also start to plan rides and events as well. If so, share it with us by submitting the information to TS so it can be posted on the TSC riding calendar.

A reminder to pay your chapter dues which are \$45 per chapter if you have not yet done so. Finally, I have Tri-State Big Buck raffle tickets for sale, \$10 each with 1st prize \$1500, 2nd prize \$1000 and 3rd prize \$500. The drawing will be at the Spring Presidents meeting 5/2/26. Winners do not need to be present. You can reach me at 518-466-1833 or [esnieves618@gmail.com](mailto:esnieves618@gmail.com).

Until then be safe and stay healthy.

## New York State Rep, North West: Kevin Durawa, NY IV

Greeting Brothers and Sisters,

Old Man Winter and Mother Nature have definitely teamed up to deliver us some undesirable weather. With most of the East Coast and all of the Tri State dealing with unbearably cold weather and snow most of us can only think about riding, and start planning our trips for the 2026 season.

I am happy to see ride notices/fliers being posted, that tells me we will be riding soon.

If you are in the Tri State Conference or are riding in from outside the Tri State let's reach out and plan some meet and greets at some random or well known location(s).

The Tri-State Presidents Meeting, Saturday May 3, 2025, Hosted by Pennsylvania Chapter XXVI in Milford, PA is fast approaching.

There are plenty of other Blue Knights events to choose from, with my sights already set on the International Convention in Calgary, Alberta, Canada in July, 2026. Hope to see you there.

Stay warm, stay safe and RWP.

## Pennsylvania State Rep: Pamela McLaren, PA XIII

## Pennsylvania State Rep: Rick Vobis, PA XXVI

Hello Brothers and Sisters of the Tri Sate Conference,

Well it is hard to believe but the first month of 2026 is nearing an end already. If you are like me you are already planning your riding season schedule. This year is shaping up to look very promising indeed. So far I have put the TSC Spring (President's) meeting being held on May 2nd hosted by BK NJ V in Millville, NJ on my ride schedule. I just got a report that BK NY 18 is hosting a "Meet, Greet, and Eat" Picnic on May 9th, 2026. There will be more details to follow shortly so be sure to include this event in your schedule as this Chapter is well known for their hospitality and friendship!

So far this year I was fortunate to have been able to attend the Dales Chilly Chili Run hosted by BK NJ 9 the first of the year. This year was, like all others I have attended, full of food, door prizes a 50/50 and lots of Brotherhood. The usual ride was cancelled due to it having snowed the day before. There was however one very brave soul who actually rode his motorcycle to the event (his riding clothes were covered in salt and colored white). All I can say is well done BK NJ 9!

The riding season is right around the corner. Let's make sure everyone knows where, when, and what your Chapter event is planned for. Advertise early to have the best response to it by sending in your event flyer and TSC event notification form to the TSC Secretary and he will make sure it is included in the monthly TSC Newsletter.

To those chapters who have sent me their Chapter's contact sheet showing the latest contact information for their Executive Board... Thank you. To those Chapter who have not done so as of yet... Please do so as soon as you can. We are updating all our information to be ready for whatever this year has to offer and do not want any Chapter to not get the most current information due to inaccurate Chapter information held by the TSC.

A quick reminder, the TSC Chapter dues are now due. If your Chapter has not paid then please submit them to the TSC Treasurer so your Chapter can be removed from the "not paid list"

As always, if I can be of any assistance to you or your Chapter, feel free to contact me via E mail or by phone. Stay safe, be well, and may the riding season arrive early.

## Pennsylvania State Rep: Mike Hoover, PA XXI

We have almost reached the half way point to the start of our riding season. Most of the Tri State region will be in severe weather this weekend. But it can't last forever, so they say. I think we need to think about getting ready for spring. My tires are ten years old and should be replaced soon. I changed my battery last year, so I'm good there. Used ceramic wax and it highlighted the metal flake. Don't think I'll make Washington state, but hope to put a few miles on her in 2026

Southwestern Pa brought into the new year with holiday celebrations. PA 16 held there function in Canonsburg, PA 7 at the VFW in Coraopolis and PA 21 at the Smiling Moose in Cranberry. PA 7 did donate at check for \$1000 to local charity. I did not personally get to go to all of them, but from what I've heard, a good time was had by all.

Looking forward to seeing everyone at least once this year.

My German Shepard says Hi

## TSC Chaplain: Nelson Alarcon NY VI

"Now after John was put in prison, Jesus came to Galilee, preaching the gospel of the kingdom of God, and saying, "The time is fulfilled, and the kingdom of God is at hand. Repent, and believe in the gospel.""

Mark 1:14-15

"At hand", otherwise, *soon*. A word to measure time with no specificity. How long will we wait to repent knowing we know not the day nor the hour, but soon, the kingdom of God will be here? Take the time now to align your path with His will.

I look forward to seeing you all, especially at the Spring and Fall TSC. Please be encouraged by the Word and encourage others with your example in the Word.

## Safety Officer: Frank Diaz, NY II

### CARRYING A FIREARM ON A MOTORCYCLE

Hoping this article finds you all doing well and that everyone had a great New Year. While we start preparing for the upcoming riding season, there's a lot to consider. Preparing our schedules for events we're going to attend, making sure our bikes are up to date with inspection, oil changes, tires and so on. But while we consider our gear, do we think about how we carry our firearm? We are a Law Enforcement Motorcycle Club, so a large majority of

us conceal carry our firearms while riding.

First and foremost, make sure your HR218 and CCW permits are up to date - especially if you're riding through multiple states. That's something you should probably be doing anyway while carrying on your motorcycle. Once your permits are in order, there are a few things to consider. First, where on our body are you carrying it? Are you carrying your "get off me gun"? Or as some people, including myself, like to call it, the "oh sh\*t gun"? Or are you carrying that full sized firearm? Second thought to consider, is it concealed? You want to avoid printing which is easier to do with some of the smaller firearms as opposed to full size firearms. Also, remember your motorcycle shakes and bit while you riding into the wind. You want your firearm secured, so it's not falling out bouncing down the street.

Next we need to address your holster working with your carry position, whatever that looks like for you. Your holster needs to be of quality, close to the body and secured. If you have a leather pancake holster, you want it to have a strap going over the back of the slide keeping it in place with garments covering so the wind doesn't

show it off and the next stop light. If you don't have a strap to secure it, have a holster with a positive click the keeps it in place whether that's inside or outside the waistband. A method I recommend and have used, is carrying in a pocket holster. This protects the trigger from an accidental discharge and the magazine release from accidentally ejecting the magazine in your pocket. A pocket holster should be by itself with no keys, money or loose change, so while in the riding position, the pocket holster combined with the bend of your waist acts as extra security. As I'm sure most will agree, we're not going to be in that action movie scene where we are shooting while in motion. That would be tough to explain to a grand jury!

Two methods I absolutely do not recommend is carrying in your saddlebags (whether in a holster or not) or off body carry in a back pack or a cross body bag. Throwing all the God forbids at it, if a rider goes down, bags have a tendency to fly off your body and saddlebags shatter causing the firearm to fly down the road. If that should happen in a well populated area, your firearm would do as we affectionately call "The Bronx Bounce" - wouldn't hit the ground before someone picks it up and runs. I'd finally like to add an additional item we should already have in on board - a first aid kit. If you're carrying a tool to possibly take a life, you should also carry a tool to save a life - carry a tourniquet.

In closing. Again, I'd like to wish everyone a Happy New Year. Be good, be safe and as always, Ride With Pride.

Dear Chapter President / Secretary:

Please list your primary and secondary date. In the event another chapter gets their request in before you do, the chapter with “**seniority**” for that date will have preference over the chapter that does not. The secondary date is used in cases were the primary date is already taken by another TSC Chapter located within 100 miles of your event. No “Rain Dates” will be sanctioned due to the possibility of conflicting with another TSC Chapter’s event.

All chapters planning events are requested to fill out this form and return it to me by e-mail or US mail. In the event there’s a conflict of dates, I will contact those chapters involved and try to work out the conflict. If this is not possible then they must have a representative at the meeting and present it to the TSC Board.

The purpose of this form is to speed up the TSC sanctioning process and help prevent TSC Chapter Event conflicts. I can be reached at the following: Cell: (718) 702-4885 or E-mail at: [bktscsec@gmail.com](mailto:bktscsec@gmail.com)

**Please mail OR email your form to:**
