Greetings

Well Fall has arrived and riding season will be coming to an end soon for some of us here in the Northeast. But if you like to ride this time of year, just be mindful of all the falling leaves and slippery roads.

By the time you read this newsletter your Fall President's meeting will be a few days away. I look forward to seeing everyone at the weekend. I know that PA XIII, and PA XII along with the TSC Board put a lot of time and effort into this weekend. If this weekend is anything like last year, we are going to have a great time. And by looking at the event schedule, this weekend is already looking to be just as good as last year. Just a friendly reminder, this weekend will be held over the Columbus Day Weekend (October 9-12, 2026). The location will be The Holiday Inn Lansdale-Hatfield in Kulpville PA. So, please make your hotel reservations as soon as possible and send your event reservation to the Tri-State Treasurer. You can find the event flyers and registration forms in your Tri-State newsletters.

The TSC Board will be looking for a New York Chapter to host the 2027 Fall President weekend. So, if you think your Chapter would be interested in hosting the weekend, please let the TSC Board know.

Keep an eye on the Tri-State newsletter because it is full of information and Conference Chapter ride/events. Tri-State Secretary Terry is doing a fantastic job with the newsletter and keeping everyone informed.

Well, that is all for now, looking forward to seeing everyone at the President's weekend. Safe travels!

Keep the shiny side up and the rubber on the road and always remember to....

Ride With Pride

Vice-Chairman: Lon Strayer, PA XI

Hello Everyone

As the riding season is coming to an end in my area, mine ended with my shoulder replacement. I am also getting a knee replacement and am getting everything done during the fall/winter so I can start riding again in the spring. Look forward to getting back in the saddle by next spring with my new body parts.

I will be at the Fall Tri-State conference and hope to see you all there. It's always a great weekend and I encourage you all to attend.

If your chapter can donate to the Blue Knights special fund, it would be much appreciated.

RWP

Secretary: Terry Castris, NY VII

Greetings to my Brother and Sister Knights

I attended the Blue Knights Mason Dixon Conference hosted by Virginia II and almost did it without getting wet, but some drops did come down. It was great to see Knights from our conference, and I had a great time. A bunch of us also went to Ocean City Bike week. That trip we didn't see any bad weather. NYVII just went to Ellis Island and The Statue of Liberty. We had 27 adults and it was a great experience. I think the last time I was there was on a 3rd grade school trip. US Park Police escorted us over the metal bridge and was our personal tour guide. It was great. The next ride will be Friday, we are going to the Fall Tri-State Conference in PA. I can't believe how fast time is flying by and the fact that I am already doing the September newsletter. Let's take advantage of the nice weather and do what we do best, Ride.

If your chapter has an event coming up, send it to me so I can get it listed in the newsletter and website. So, to make sure we do not miss your event, please send it directly to me. Thank you. Also send your items either in a word doc, or a jpg file. This will make it easier for me to save and input the files in the newsletter.

I also need each chapter to submit a new chapter contact form, even if all the information is the same. We need to update our current records, so we need a 2026 one. Some chapters haven't sent in contact information in years. Please send them to me. If your State Reps also request them, email or send them to both of us. I am attaching the new 2026 Chapter Contact & Officers Form and the event schedule / Ride Date Request Form at the end of the newsletter. The chapters numbers that are highlighted in **RED** are correct and verified. The following chapters have not sent in their chapter contact forms: NJ8 - NY 4, 11, 13, 24, 26, 27, 30, 32 - PA 1, 10, 26, 28.

The Fall President's Meeting is Saturday, October 10th, 2026 at the Holiday Inn Lansdale-Hatfield in Kulpsville, PA 19443. The Tri-State Board along with PA XXII & PA XIII are hosting the event. Flyers are attached.

Just remember anyone on the Board or any state rep will help you no matter where you're located. If you need us, don't hesitate to reach out.

This year is an election year for the Tri-State Conference Executive Board. Nobody has sent in a letter of intent to run except the current Board, so the board will stay the same for another two years.

Ride with Pride

Treasurer: Vinny Calderon, NY X

Hello Tri-State...

I hope you are getting out there and are doing some riding and I see you at the fall Tri-State Conference. Please send me the registration dues and make your reservations. The forms for the fall weekend are attached to this newsletter. Please send them in sooner than later. There is still a hand full of chapters that owe Tri-State dues, please send them asap.

We are still collecting the 2026 Tri-State Dues. Please send your chapter dues in the amount of \$45.00 to the following:

International Rep. Myron Joseph, NY IX

Greetings and salutations my fellow BK sisters and brothers, I hope you all enjoyed the summer months and did what we do best, RIDE.

The Fall Presidents meeting weekend is scheduled for October 09 – 12, 2026, in Kulpville, PA, all the information is on the TSC website and will be attached to this month's newsletter. We can't thank Bud Dinnel, Pam McClaren and their chapters enough for stepping up to the plate to assist the board with planning this year's Fall meeting weekend. The bid is open for next years conference. Hopefully one of the chapters will step up. Hope to see everyone up in Kulpville.

I am your International Representative for approx. 1 year. I've spent countless hours on telephone and Zoom calls representing our conference and the visions of our founding fathers. We are truly in the best LEMC in the world.

Remember, it's the moto of the conference and club, to get out there and ride, connect with your neighboring BK chapters and wear your vests as much as you can. Ride with Pride. Until I see you or I prepare my next message, stay safe and healthy. RWP.

New Jersey State Rep: Neil G. Hoogmoed, NJ XIII

Hello, everyone!

Summer has come to an end, and fall is here. A lot of folks are pleased to see the cooler weather breaking away from summer's heat. Whichever season you enjoy, so be it!

Many of us enjoy all four seasons, but remember to adjust your ride to the season you're riding in.

Plan your rides accordingly, and as always, keep "Riding with Pride."

The Tri-State Fall Presidents Conference is now only one week

away. I trust that all of our New Jersey chapters will be represented at the fall meeting. I look forward to seeing some old friends there, as well as making new friends I haven't met yet.

That's all I have for this month. I'll see you in Kulpsville, PA!

Ride safe and keep "Riding with Pride!"

New York State Rep, Central, West: Jason Rudnitsky, NY XVIII

Greetings All.

It's the fall. Which means a few things. Number one the Tristate Conference in PA is around the corner. Always a good time. There is still time to register. So come and enjoy some riding and brother/sisterhood.

Second, the fall means the leaves are changing in the area. Go and ride and enjoy the scenery (just be careful when riding on the leaves) slippery when wet. It is also time to start collecting dues. Chapter dues, tristate dues and your international renewal. Remember the international dues renewal is all electronic. If any has questions on how to do it please reach out and I will guide you through it.

As always be safe, be proud and ride with pride.

New York State Rep, North East: Steve Nieves, NY VI

Greetings Tri-State Blue Knight Brothers and Sisters.

Looking forward to the change in weather over the next few weeks. Foliage season is around the corner which means cooler mornings for some hot coffee with cider doughnuts and/or hot apple pie (oh yeah 😊).

The Fall Tri-State Conference during Columbus weekend cannot come fast enough as I am overdue for some camaraderie time with my Blue Knight Brothers and Sisters. For those traveling to the conference, wishing you safe travels.

Until then,

RWP & Always Ride Safely

New York State Rep, North West: Kevin Durawa, NY IV

Greetings Brothers and Sisters,

September has been quite the month, one last big trip before going back to work after having the summer off.

I did attend the Mason Dixon Conference - Culpeper weekend hosted by Virginia 2 with my travel buddy Ed, and we decided to turn it into an extended trip. We headed to Stone Mountain Park, Georgia prior to Culpeper. Then while enroute to Culpeper stopped at a Gold Museum in Dahlonega, Ga., rode through Helen,

Ga, Dry Falls and Bridal Veil Falls in Highlands, NC and rode a portion of the Blue Ridge Parkway. Once in Culpeper we met up with some old friends (many from our TSC), made some new friends, partied for 3 days, and visited Cooter's Place (Ben "Cooter" Jones famous from the Dukes of Hazard TV Show). We did put on 2525 miles on this trip over 8 days and only got rained on twice for a total of about 2 hours.

On Friday, September 11, 2026 members from NY4 and NY5 participated in the 25th annual 9/11 ride sponsored by the Red Knights Chapter 47, which ended at Russell's Patriots and Heroes Park, if you attended the 2019 TSC in Batavia you may have visited this park on an escorted ride and you know what a special place it is.

On, Saturday, September 19, 2026 NY4 member Nick Fisher held his annual steak cookout/picnic for members of NY4 and former coworkers from U.S. Border Patrol, an event enjoyed by many of us. Nick retains 70 acres, which has been in his family for nearly 130 years, and also has historical significance dating back to the American Revolution. The highlight of the day is a tractor-wagon ride throughout the wooded property and to some of the waterfalls and swimming holes.

Next big NY4 Chapter ride is September 26, 2026 to Big Mike's Steaks and Hoagies in Forksville, Pa, this has become an annual ride for my Chapter which many look forward to. I have been posting the details for this ride in advance the last couple years in hopes of bringing other Chapters together, and in the past have been joined by members of PA14, NY5, PA18 and even a member of NY7 who delayed a planned trip a day so he could join us. He has since joined Heaven 1 and I mention him often when I talk about this ride, glad I got to meet and talk with him.

Unfortunately the weather in WNY is beginning its change to cooler and wetter weather. Hopefully we get a few more days of good riding conditions as I'm not ready to put the bike away just yet.

I'm looking forward to the TSC Fall weekend hosted by PA 13 and PA 22, coordinated by Pam McClaren and Bud Dinnell, with assistance from the TSC Board.

This Conference weekend will be held *October 9 - 11, 2026, in Kulpsville PA.*

I hope to see many of you there.

Ride Safe and Ride With Pride.

Pennsylvania State Rep: Bud Dinnell, PA XXII

Hello my Brother and Sister Blue Knights.

As the summer is coming to an end, I hope you all enjoyed the weather and got some time in the saddle. Not much happening here in Pa. All seems to be going very well. Remember if your out there to watch out for wet leaves.

If you can make it come on out to the Tri State Conference. Registration forms are on the web site and in this newsletter. Last year we had a great time. Hope to see you all there.

Stay Safe and Ride with Pride

Hello Brother and Sister Blue Knights of the Tri State Conference.

Well this month was a very pleasant although not too active month of the riding season for me. I was however able to attend the 50 th anniversary of the Blue Ridge Rally which was held September 4 th – September 7 th in Culpeper, VA. This was almost a 400 mile ride from my home in Pennsylvania. The ride was beautiful, clear and very warm (100 degrees) until I stopped about 20 miles from the host hotel to full up the gas tank of the bike. While fueling the clouds, which had cooperated for the whole ride until then, opened up to allow a tremendous downpour. After getting the rain suit out, spending the 15 minutes it took to get it onto this old man, I started out to complete the ride. Naturally, as many of you have experienced, the rain stopped after I had ridden about 1 mile and I completed the remaining ride to the host hotel in a rain suit that did not breathe in crazy hot and now muggy weather!

WONDERFUL!!! When I arrived at the Host Hotel things looked up for the entire event. If you have never attended this event I would whole heartedly suggest you do so for you are sure to have a great time and the members of Blue Knights Virginia II do everything they can to make you feel like family and the staff from the hotel are very welcoming and pleasant. The registration process went through easily with everything already in a plastic bag just waiting for your arrival including the free Challenge Coin that every attendee received as a free give away. There were T shirts available for purchase so naturally I bought one. I was amazed by so many aspects of this rally and can't figure out how they could provide all they did for the low price they required to attend (\$110.00) Friday night they provided a FULL buffet meal including Pulled pork, fried chicken, vegetables, bread and butter, potatoes, all you can drink soda, beer, coffee, lemonade, Ice tea and a whole lot of deserts that included cheese cake, cookies, and some other cakes! After all tables had gotten their food you were invited to go up and "eat all you want because we have plenty" as we were told. This was the theme of the weekend it seemed as you were invited to go for "seconds" at the 2 other meals they provided at this event! The second meal on Saturday was similar to the first meal except the beef was sliced and the chicken was BBQ (every bit as tasty as the first meal). Sunday we were surprised by a lunch meal. This was Tacos. They had both chicken and beef tacos with all the trimmings and condiments. Anyone who went away from any of their meals hungry ,,, It was their own fault! Every night there were 50/50's and there was even a celebration or our own Liz Cook's birthday with a cake and candles! On Sunday the host chapter presented many certificates for oldest rider, longest distance ridden (I thought our TSC NY State Rep Keven would win at having ridden 1,000 miles but he lost to someone who rode and amazing 3,000 miles to get there). I met many Brothers that I had not seen for years due to them having moving down south and I really had a great time. You really should give this event a try!

Well that is about all I have for this month. I hope to see you all in Kulpsville, PA next month for the TSC Fall weekend (October 9 – 11). The host chapters from last year (BK PA 13 & BK PA 22) are once again hosting it for this year and if it is anything like last year it will be a blast!

“For if anyone is a hearer of the word and not a doer, he is like a man observing his natural face in a mirror; for he observes himself, goes away, and immediately forgets what kind of man he was.”

James 1:23-24 NKJV

When we only hear and don’t do, think, profess, meditate, LIVE the word, we forget it quickly and return to the world, forgetting what and Who, we are supposed to reflect. Please keep the word in the forefront of your mind and be a reflection of the word and the Word. I’m looking forward to seeing you all at the TSC and hopefully we’ll have the same turnout at Sunday service as we did last year.

ROAD RAGE AND TWO WHEELS

Greetings to all. Hope everyone is having a great riding season. With the Fall upon us and the leaves changing along with the cooler temperatures, the conditions are perfect for some good riding yet to come!

As were enjoying the Fall riding weather, there will be a lot of cars on the road enjoying the Fall foliage and other activities. There are some people out there that don’t pay attention on the road. They think of motorcycles as an obstacle in their way. As motorcyclists, we have to contend with falling leaves, wet or damp roads and distracted drivers – and let’s add road rage to the mix. According to The American Psychological Association, “High-anger drivers tend to experience higher baseline anxiety, impulsiveness, and stress that easily triggers outward hostility during traffic delays or perceived provocations”. So, your everyday driver coming home from work could have had a rough day at work, missed an appointment, or sat in traffic for an hour along with their significant other being upset at them for whatever reason. That already puts a person in a bad place mentally. We know, we’ve all be in that position. Then here we come, moving in traffic a little quicker because we’re on a smaller vehicle. We’ve all experienced that person shifting toward the space were in just to slow us down. Then as you pass them, you’re getting yelled at and called names and even getting flipped off. Being on a motorcycle puts us at a serious disadvantage - four wheels wins over two anytime. Some vehicles can weigh somewhere between 3 to 4 thousand pounds, where

a typical large cruiser bike can weigh 800 pounds and some change and the smaller bike can be around 600 pounds. You may want to start off by creating distance - drop back or pull ahead. Try to avoid eye contact, hitting your horn or flipping them off as that can escalate the situation. Putting space between you and the 'road rager' can also help the rider to get out of sight of the motorist and for us the rider to get them out of our sight and regain focus. If you notice that same person following you, don't engage, don't pull over. Either go to a public place or even a police station. Now, I know most of us travel armed in some way, but drawing attention to the fact that you're carrying a weapon is not something I recommend. I think we all know how that will go. The safest bet is to try to avoid it.

In closing, I'm looking forward to the Presidents meeting in a few weeks and hope to see many of you there. Til then - Be good and be safe. Enjoy the fall riding weather. And as always Ride With Pride.
