BLUE KNIGHTS PLEDGE: As a Blue Knight, I pledge to act with honor and pride to promote motorcycling and motorcycle safety by being an example of the safe use, operation and enjoyment of motorcycles. I will work at all times to improve the relationship between the motorcycling law enforcement community and the general public. The fraternal spirit will always guide me in relating to other Blue Knights.

Chairman: Joseph De Felice, NY I

Greetings

Another Fall President's meeting Weekend is in the books. Pa XIII and XXII did an excellent job with the help of your TSC Board members. I would like to thank all the members and their spouses for everything they did to make this weekend a huge success. The International Board was well represented with the International President Russ Harper along with his First Lady Mae and our International Vice President North America Cal Ennals. As well as Past Officers from the Tri-State Conference and Officers from other Conferences and International Past President.

A fantastic time was had by all. The President's meeting went off without any snags. Everything is moving right along in this Conference with no major incidents. The TSC Board and State Reps are doing an excellent job.

It's New Yorks turn to host the 2027 Fall President's Meeting Weekend. As of this newsletter, we have a few Chapters in the Upstate New York area looking into hosting this event. If they do not get back to me by the end of January, we will open the weekend bids to any Chapter in the Conference.

The Spring President's meeting will be hosted by NY VI in the Albany area. Keep a lookout in this and the upcoming newsletter for all the information on this event. This is the time of year that the TSC Chapter's will be holding your elections. Please, after your new board takes office, send your Chapter's updated contact sheet to the TSC Secretary so he can update the newsletter and the contact list.

Keep an eye on the Tri-State newsletter because it is full of information and Conference Chapter ride/events. Tri-State Secretary Terry is doing a fantastic job with the newsletter and keeping everyone informed.

Keep the shiny side up and the rubber on the road and always remember to….

Ride With Pride

Vice-Chairman: Lon Strayer, PA XI

Hello Everyone

As the riding season slowly drifts away I must admit that I didn't ride near as much this year as I normally do. This was due in part to injuring my shoulder in March and ultimately having a full shoulder replacement in August. Jackie and I traveled to the International convention in Calgary, Alberta in July and the Tri-State convention in Kulpsville, PA in October but sadly we went in the car. Pam and Bud and their respective chapters did an outstanding job with the Tri-State event. My own chapter, PA 12, took part in the Dillsburg, PA Farmers Fair motorcycle show. Our own Dean Abby won the first place trophy for his Russian Ural motorcycle and side car. I am looking forward to the PA bear and deer seasons and of course the Thanksgiving holiday. Please keep Cal Ennals and Terry Castris in your thoughts and prayers and anyone else you know who may be on the injured / reserve list.

Happy Halloween and Happy Thanksgiving to all.

Secretary: Terry Castris, NY VII

Greetings to my Brother and Sister Knights

I had a great time seeing everyone at the Tri-State Conference weekend and President's meeting. It was great to see Knights from our conference, and I had a great time. The week after the conference, my daughter got married, great time. I just put the blanket on my wheel. My season is over. Unfortunately, I had surgery on Monday and can't get on a motorcycle for 8 weeks. By then the cold and snow will be upon us. My first ride will probably be the St. Patricks Day parade.

If your chapter has an event coming up, send it to me so I can get it listed in the newsletter and website. So, to make sure we do not miss your event, please send it directly to me. Thank you. Also send your items either in a word doc, or a jpg file. This will make it easier for me to save and input the files in the newsletter.

I would like to welcome Todd Trivus as our new PA state rep.

After chapter elections, please submit a new chapter contact form, even if all the information is the same. We need to update our current records. Some chapters haven't sent in contact information in years. Please send them to me. If your State Reps also request them, email or send them to both of us. I am attaching the new 2026 Chapter Contact & Officers Form and the event schedule / Ride Date Request Form at the end of the newsletter. The chapters numbers that are highlighted in RED are correct and verified. I am inclosing some pictures from the TSC weekend at end of newletter

Ride with Pride

Treasurer: Vinny Calderon, NY X

Hello Tri-State…

Although the riding season is coming to an end sooner than latter, we are still having some nice riding weather. Lets take advantage of it while we can. Watch out for leaves, they can be very slippery. It was great seeing everyone at the Tri-State Conference. If you would like to get ahead, I am collecting the 2027 Tri-State dues. Please send them in.

We are collecting the 2027 Tri-State Dues. Please send your chapter dues in the amount of $45.00 to the following:

Greetings and salutations my fellow BK sisters and brothers,

I attended the SRC in Myrtle beach in early October and had a very nice time. I was good to see a lot of Blue Knights from all over, SC, NC, Fl, NH, MA, NY, GA and TN. Then rode with Mike Rickard to the Tri-State Fall Presidents meeting October 09 – 12, 2026, in Kulpsville, PA. There to, it was great to get together with my BK family.

I would like to thank President Harper for swearing in the Tri-State Executive Board for another two-year term. I continue to enjoy representing the Tri-State on the International Board of Directors.

I spend countless hours on telephone and Zoom calls representing our conference and the visions of our founding fathers. President Harper continues to fight an uphill battle to restore the vision of our founding fathers, to once again make our club the best LEMC in the world.

Remember, it's the moto of the conference and club, to get out there and ride, connect with your neighboring BK chapters and wear your vests as much as you can. Ride with Pride.

The newsletter is yours so remember to send your articles to our TSC Secretary, Terry Castris, by the 25 th of the month. Whether it's one sentence or a dissertation, we want it along with a flyer. Please say something about your future events so it may be included in the newsletter under your chapter contact information.

Please remember we have a website and FB page for all to view and add information at any time. Don Parker (dapnyiv@yahoo.com) is our website administrator and Teresa Hartley along with Terry Castris and Me are our FB Page administrators.

Until I see you or I prepare my next message, stay safe and healthy. RWP.

New Jersey State Rep: Neil G. Hoogmoed, NJ XIII

Who Was There?

Kulpsville, PA, was the place to be for the Tri-State Fall Conference! If you missed it, you missed a terrific weekend. The event was hosted by Bud Dinnell of PA 13 and Pam McClellan of PA 22. With help from members of both chapters, Bud and Pam put on a party! Thank you, Bud, Pam, and everyone from PA 13 and PA 22 for putting together such a great event. We made new friends, reconnected with old ones, and enjoyed a weekend filled with fun, friendship, and camaraderie. If you've never attended a Tri-State weekend, make an effort to get to one. You won't regret it! Hope to see you all at the next one. Ride safe!

New York State Rep, North East: Steve Nieves, NY VI

Greetings to all Tri-State Blue Knight Brothers and Sisters.

The riding season is winding down as cool weather sets in. I hope everyone has a great riding season. For those who can weather the cool weather there are still a few more weeks for riding, just be careful with wet leaves on the roads.

The Tri-State Fall Presidents meeting in Kulpsville, PA was a success. Excellent turnout of members. It was great seeing so many of you. PA Chapters 13 and 22 once again did an excellent job.

On Sunday October 18, members from NY VI once again participated in the Annual Brunswick HD Toys for Tots event which draws hundreds of bikes each year from all over the Capital region for this worthy cause. The weather cooperated by providing riders a clear sunny day with temps in the mid 60's. Afterwards lunch at Snyder's Restaurant in Clifton Park. All in all, a good time was had by all.

Until next time,
RWP & Always Ride Safely

Hello my Brother and Sister Blue Knights.

I would like to thank everyone for making the Fall Weekend/Presidents meeting a Hugh success. A lot of members in both chapters and the TSC Board all pitched in and helped out. Thanks also goes out to everyone that took the time to travel out to PA. We are getting some bonus weather which is extending our riding season. Remember if your out there to watch out for wet leaves.

Stay Safe and Ride with Pride

Pennsylvania State Rep: Rick Vobis, PA XXVI

Hello Brother and Sister Blue Knights of the Tri State Conference.

Well riding season for the year 2026 has come to an end for me. It ended with a bang for me thanks to the great efforts of both Pam and Budd as well as the members of both Blue Knights PA 12 and Blue Knights PA22 who hosted the Blue Knights Tri States Fall Conference again. Last year, when they jointly hosted the Conference, I thought they did a fantastic job and this year they actually out did themselves. The hospitality room was filled each night with any and all types of munchies that you could imagine as well as all kinds of sodas and even a keg of beer. They provided 2 full meals, one Saturday and one Sunday, as well as all the pizza and sub sandwiches you could eat on Friday night. Literally everyone who attended won a door prize and there was a very nice Blue Knights special gift in the welcome bag, a Blue Knights Tri State 2026 convention shot glass which held a Blue Knights dog tag in it! The Blue Knight Tri State Executive Board was even led into the Banquet by Blue Knights New York XVIII's member "Piper" playing the bag pipes. There were games of all kinds being played at the hospitality room and Stan "the Cannon Man" even got things going with his world famous "Bang"! If you missed it you really missed a wonderful time full of fun, happiness, and the best of the Blue Knights Brotherhood you could ever imagine. Naturally there was the mandatory business meeting which, although it included some very important business that needed to be handled, was done both professionally and rapidly (you can read about that when the minutes are published). Our Blue Knights Tri State Chaplain provided a wonderful service on Sunday for those who wished to attend and Pam from our Maine chapter blessed us all with her fine voice as she led the singing of the Lord's prayer. This was the second time I attended this service and I'll be a regular there as long as it is offered.

I could go on and on, as you all know, about this event but I just close by once again saying thank you to all who worked so hard to make this a fantastic time, your efforts were very much appreciated and enjoyed, Until we meet on the road again, Be well, Stay safe and try to enjoy the winter things and events that some Blue Knight Chapters offer.

Pennsylvania State Rep: Todd Trivus

Hello Brother and Sister Blue Knights

I would like to thank Chairman Joe De Felice for giving me this opportunity to be a Pennsylvania rep. I will do my very best to serve the members of the Tri-State. Please reach out to me if anyone has any issues or just want to say hello.

TSC Chaplain: Nelson Alarcon NY VI

2026 Fall TSC. A gathering of some wonderful and God fearing brothers and sisters for the message from the book of Matthew. Always an honor to serve.

“And let us consider one another in order to stir up love and good works, not forsaking the assembling of ourselves together, as is the manner of some, but exhorting one another, and so much the more as you see the Day approaching.”

Practical techniques for safer wet-weather riding

Hope this finds everyone doing well. It was great seeing everyone at the Tri-State meeting earlier this month. Always a great time. If you never experienced one. Maybe check one out. You won't be disappointed.
This month I'd like to talk about some ideas and techniques for riding in the wet weather. I think at this point in our riding lives. We understand that rain changes traction, visibility, braking distance, and the way other road users see a motorcycle. The safest approach is to slow down, ride smoothly, and leave more room for every decision. Before you leave either for a short trip or that long ride. Check the forecast and consider postponing if storms, lightning, or poor visibility are expected. If you decide ride, wear your rain gear, full-finger gloves, over-the-ankle boots, and a helmet with a clear, clean visor. Also, bright or reflective outerwear can help drivers notice you.
Double check your tires for adequate tread, damage, and correct pressure. Check that the brakes, headlight, taillight, turn signals, and brake lights work properly.
Ride smooth, create space, accelerate progressively, steer without abrupt corrections, and brake earlier with steadily increasing pressure. Keep the motorcycle more upright than usual and reduce speed before entering a curve. Avoid sudden downshifts or aggressive engine braking that could disturb rear-wheel traction.
Increase following distance and preserve an escape route. Wet pavement increases stopping distance. Avoid lingering beside vehicles and signal early before changing position or direction.
Roads can be especially slippery when rain first lifts accumulated oil and grime. Painted lines, metal covers, bridge joints, leaves, mud, gravel, may provide less grip. Cross unavoidable slick surfaces as upright and straight as possible, without sudden braking or acceleration. Ride in the portion of the lane that offers the best combination of traction, visibility, and space. Avoid deep standing water because it can hide potholes and increase the risk of losing tire contact with the road. Never enter moving floodwater. Keep your headlight on, use reflective gear, and make deliberate lane-position changes when needed to remain visible. Leave room behind large vehicles to reduce spray and improve your view. If rain gets excessive on your visor, pull off at a safe location away from traffic. If your tire begins to glide over water, remain calm, keep the motorcycle as upright as possible, ease off the throttle gradually, and avoid abrupt braking or steering. If the motorcycle starts to slide, look toward the clear path you want to follow and use smooth control inputs. If conditions become unsafe, reduce speed without surprising following traffic, signal, and leave the roadway at a safe, stable location. This may be the optimum time for that strategic break. Maybe a cup of coffee and bite to eat.
The goal is not to maintain dry-road speed—it is to arrive safely. Good judgment, extra space, and smooth control are the foundations of safer riding in the rain.
In closing, thank you all for your time. And as always, Ride with pride, Be Good, be safe.

Dear Chapter President / Secretary:

Please list your primary and secondary date. In the event another chapter gets their request in before you do, the chapter with **"seniority"** for that date will have preference over the chapter that does not. The secondary date is used in cases were the primary date is already taken by another TSC Chapter located within 100 miles of your event. No "Rain Dates" will be sanctioned due to the possibility of conflicting with another TSC Chapter's event.

All chapters planning events are requested to fill out this form and return it to me by e-mail or US mail. In the event there's a conflict of dates, I will contact those chapters involved and try to work out the conflict. If this is not possible then they must have a representative at the meeting and present it to the TSC Board.
The purpose of this form is to speed up the TSC sanctioning process and help prevent TSC Chapter Event conflicts. I can be reached at the following: Cell: **(718) 702-4885** or E-mail at: **bktscsec@gmail.com**

Please mail OR email your form to:
