

INSTRUCTIONS FOR PENNSYLVANIA BLUE KNIGHTS

SPECIALTY REGISTRATION PLATE

Specialty plates are restricted to passenger vehicles, trucks and motorhomes with a registered gross weight of not more than 10,000 lbs. Motorcycles and trailers do not qualify for specialty registration plates in the state of Pennsylvania.

Please keep your current registration up to date and valid as it sometimes takes up to 8 weeks for us to mail up the paperwork to Penndot and for them to process everything.

NEW: Penndot is now allowing personalized specialty plates as well as the numerical ones we have been ordering. The form sent to us is a one page, double sided form which has the application for either plate all in the one form and the instructions on the back. **WHEN YOU PRINT OUT THE FORM, REMEMBER TO SEND BOTH PAGES/SIDES.** Cost to Penndot for the regular specialty plate is \$25.00 and \$100.00 for the personalized specialty plate. The corrections facility who actually manufactures the plate is also paid \$5.00 per plate.

To offset the cost of the plate production and as a contribution to our chapter, we are charging the amount of \$19.00 on top of the cost for the registration plate. So, for a passenger vehicle with the numerical plate (as we have been doing), the check sent to us would be for \$49.00. For a personalized specialty plate, the cost would be \$124.00.

1) Complete form MV-904SP(9-14) – **Complete Sections as noted**

Please read the back of the form if you have questions.

2) Mail completed form and check to Pam McClaren, 141 Ascot Court, Downingtown, PA 19335. Check made out to Blue Knights PA 13 – Specialty Plate Program.

Should you have any questions, please contact Pam at Pamelaabk@aol.com or via cell phone – 610-637-5881

The new forms have been scanned and will be emailed to each of the PA chapter presidents. These instructions will also be included.

Applicant must be a member in good standing of The Blue Knights International Motorcycle Club. Membership status will be verified via the Chapter's president upon application and each year thereafter. Should your membership in the Blue Knights be discontinued for any reason, your registration plate must be returned to Penndot and will not be renewed.

All forms and instructions can be found on the PA XIII Website – Blueknightspa13.org
